Signature: _____

Reaction Paper Directions:

- I. Length
 - Minimum of 1 page (typed, double-spaced)
- II. Content
 - Brief summary of the article
 - Integration with other knowledge
 - Practical application(s)
 - Critique of ideas or strategies
- III. Staple this form to the Reaction Paper.

* Remember: Journal articles may be used for only 10 hours of the 30-clock hour CE requirement within any three-year period.

** Only articles from list of IMSLEC-approved journals may be used for CE credit.

To be considered as Continuing Education (CE) eligible for IMSLEC CEs, the activity content and learning outcomes must be related to the sciences as they pertain to dyslexia and related disorders or to related fields, such as learning disabilities and speech and language disorders. Offerings from the following professional disciplines may be considered: learning disabilities speech and language, linguistics, child development, developmental psychology, neuropsychology, neurology and neuroscience. Activities, content, and level must be beyond requirements of IMSLEC-accredited courses and must contribute to the acquisition of new skills and knowledge.
